OKTATÁS CÉLJA / AIM OF THE COURSE

Course Description, Goals, and Objectives:

During the course, using in-class exercises, engagement with actual politics, and media, discussion reading material, this class helps you to understand how the political institutions and players, particularly the governments impacts you.

Get ready to discover contexts, concepts, analytical tools, and ongoing discussion. By the end of the course you should be able to:

Identify and describe the key functions of constitutional democracy, specially the separation of power, the role of the political parties and elections

Explain how government and politics impact your daily life

Ability to speak about important political issues in an informed manner, and engage others in public discussion

Learning how to think about important political ideas and events with critical eye

The 7 Essentials: Be respectful. Come to class. Participate. Think critically. Ask for help. Be prepared. Don't cheat.

TANTÁRGY TARTALMA / DESCRIPTION

Week, Thursday, 6 May – Class 14: Final Evaluation of the Course (Istvan Stumpf) SZÁMONKÉRÉSI ÉS ÉRTÉKELÉSI RENDSZERE / ASSESMENT'S METHOD **Course Requirements:**

Each student will have to do <u>two 15 minutes</u> presentation on the assigned mandatory topics. Each presentation needs to be accomplished by 1-page handout. Structure, content, and the function of this handout will be discussed in the beginning of the course.

If a student misses an undertaken presentation (s)he will have to write a paper (approximately 1500-2000 words) based on his or her presentation's topic. The paper should be prepared in 10 days after the date of the missed presentation.

Participatory is mandatory in lecture and discussion. "Participation" means being prepared and willing to speak coherently, intelligently, and civilly. You should recognizing, that we need to free to disagree with each other respectfully so we can learn from each other. Refusing to participate will result in failing the course.

All ideas, philosophies, perspectives, and opinions are welcome, with one exception: disrespect will not be tolerated. In order to foster an academically inclusive environment where all ideas are encouraged to be brought forth and respectfully discussed, any student exhibiting intolerance through the use of judgmental language or behavior directed at another student will be reprimanded and/or asked to leave.

Technology: Laptops and tablets are approved for note-taking and presentations purposes only. Paying any kind of attention to your phone, tablet, computer that is not for note taking is both disruptive and disrespectful to the professor and the class.

Courtesy: Don't let your phone ring. Don't talk or disrupt classmate. Don't pack up early. Don't create disruptive situations.

Studying with your fellow students in pairs and groups is encouraged.

Assignments must be typed using 12-point font (preferably Times New Roman) double-spaced, with numbered pages (preferably in top of right corner) Consistency in tense (past, present, future) is greatly appreciated. Spell check is necessary. Hard copies only will be accepted (not electronic submissions)

Citations and references required.

Students are invited to communicate with the lecturers via e-mail any time they think we can be of help.
