Assesment: Vizsga

Tárgy heti óraszám /

Teaching hours(week): 2/0/0

Tárgy féléves óraszám /

Teaching hours(sem.): 0/0/0

OKTATÁS CÉLJA / AIM OF THE COURSE

The course will provide fundamental and essential basic knowledge on the scientific issues of environmental governance and law in international law. Within the framework of the course, the history of international environmental law traced back to the 1970s is analysed; then the basic sectors and main international treaties are surveyed. The special features of sustainable development as well as its political and economic aspects are also reviewed.

TANTÁRGY TARTALMA / DESCRIPTION
