Tárgy féléves óraszám /
Teaching hours(sem.): 0/0/0

OKTATÁS CÉLJA / AIM OF THE COURSE

This course is aimed to provide students with an overview of marketing research in terms of needs, definition, process, analysis and reporting. Students should be able to develop a structural thinking ability to translate management problems into tangible research questions. During the course the students should be able to design a marketing research plan and conduct a research themselves.
