### OKTATÁS CÉLJA / AIM OF THE COURSE

#### Course Objective:

Business Competence Training offers a twofold objective to the students. The first objective is for the students to learn how to prepare, plan, execute and evaluate a professional business training seminar. The students will have the opportunity to gain experience in organizing, conduct and evaluating a seminar of their own design. The second objective is for the students to participate in various seminars on managerial competencies to improve themselves as future workforce participants.
