Theories of Economics

KGNM_NETA009

Tárgyfelelős neve /

Teacher's name: Feketéné Czakó Katalin

Félév / Semester: 2018/19/1

Beszámolási forma /

Assesment: Vizsga

Tárgy heti óraszám /

Teaching hours(week): 2/0/0

Tárgy féléves óraszám /

Teaching hours(sem.): 0/0/0

OKTATÁS CÉLJA / AIM OF THE COURSE

On one hand, this course gives insight to master students into those authors and theories, that have contributed or still contribute to the formation and shaping of economic studies. On the other hand, through interactive class work, the subject contributes to the recognition of problems, correlations and the formation of systematic solutions in economic systems of different nations.

The course gives significant input to the elaboration of additional studies, furthermore the decision making about the possible PhD training.

TANTÁRGY TARTALMA / DESCRIPTION

The subject of theoretical-history of economics, the leading paradigms of economic history
