OKTATÁS CÉLJA / AIM OF THE COURSE

During the one-week internship the first-year students can get to know more about the basic agricultural and food industrial tasks. Students take active part in the workflows based on the principle of learning by doing.

TANTÁRGY TARTALMA / DESCRIPTION

The internship is mostly on the faculty's place, depends on the weather in the castle garden, in the department's buildings, in the greenhouses owned by the faculty and in the Dzsungelország Kft.'s places.

Every student has the own shift for each week which is from Monday till Friday 8:00-16:00, so it is 5 working days. During the internship they get the proper protective clothing and they take part a general work and fire safety information, so they learn the roles of the safe work.

Lobitz Ákos, the CEO of Dzsungelország Kft. is a big help in the organization and realization of the internship.
