OKTATÁS CÉLJA / AIM OF THE COURSE

In cooperation with his/her supervisor (internal consultant) the student makes an own professional and scientific written contribution (diploma thesis) to present that he/she is aware of all necessary skills and knowledge to work as an agricultural engineer and he/she can also use these abilities for solving real-world agricultural problems.

TANTÁRGY TARTALMA / DESCRIPTION

Students are obliged to consult their supervisor at least 6 times during one semester from among which one should be personal consultation (if there is no extra situation).

The internal consultant either signs the successful completion of the subject and evaluates the student or denies signature.

SZÁMONKÉRÉSI ÉS ÉRTÉKELÉSI RENDSZERE / ASSESSMENT'S METHOD
