OKTATÁS CÉLJA / AIM OF THE COURSE

In the 21st century integrated marketing communication (IMC) is a very important approach to achieve the objectives of a marketing campaign, through a well-coordinated use of different promotional methods that are intended to reinforce each other. During the semester students learn how to make a comprehensive plan that evaluates the strategic roles of a variety of communication disciplines such as advertising, public relations, personal selling, and sales promotion and combines them to provide clarity, consistency, and maximum communication impact.
